

## B500 Passing Technique from Sweden

### Key Points:

Eye contact and pass with a push of the bottom hand and pull with the top hand. The puck rotates from the heel to the toe and hands away from the body. This same motion is used when shooting. Receiving a pass is the opposite motion to absorb the puck.

### Description:

1. Pass one puck around the circle first with an emphasis on good technique and eye contact.
2. Pass and receive the puck quickly using good technique and eye contact.
3. Pass 2 pucks with good technique.
4. Coach work with goalies at the far end.

\*This can progress to pass and follow the pass or all players moving around the circle.
