

# CORE COVENANT

---

- No matter what - FAMILY FIRST !
- To believe that you as an individual can make a difference.
- To treat your teammates and coworkers with respect and compassion.
- To play each practice and game with a passion and not treat it like a job.
- To have faith in your teammates, trainers and coaches that they are doing the best that they can and not to judge them.
- To be accountable for your own actions on and off the ice.
- To believe and have confidence that we are able to win every game.
- To believe that the team is more powerful than the sum of the strengths of it's individuals.
- To have a burning desire to go beyond being just a good team. To have the will and the yearning to be great.
- To believe in our Core Covenant and to judge only ourselves honestly in adhering to it.
