**Gaston Schaeffer's** experience includes working as head power skating coach for Mount Royal University, consultant for the Chicago Blackhawks Athlete Development Specialist Curtis Brackenbury and head power skating coach for "Kids with Sticks". In addition he also worked as the National Team Figure Skating Coach for Switzerland and has coached European and world competitors in both figure skating and speed skating. Gaston is also the patent holder and designer of the Graf "Edmonton Special" skate boot.

**Tom Molloy's** experience includes 3 years as head coach of the Calgary AAA Midget Flyers (girl's), 1 year as head coach of the Salzburg Red Bulls U17 men's hockey team and skills coach for all Red Bull teams in Salzburg, Austria, 5 years as head coach for the Mount Royal University women's hockey team, 8 years as assistant coach for the University of Calgary men's hockey team and 1 year as assistant coach, 3 years as head coach of the SAIT Trojans men's hockey team and 11 years coaching minor hockey. Currently Tom and mentors coaches internationally and is co-author of *The ABCs of International Ice Hockey* with Juhani Wahlsten of Finland.

*Gaston and Tom were very professional, knowledgeable and most of all passionate about their instruction. This was an unbelievable experience for my whole family. I felt as though we were among family. And if that wasn't enough, Jasper, Alberta was picturesque."*

- Craig Campagnolio, Philadelphia, PA (USA)

*The Jasper camp is the best week of summer every year!*

- Aidan Bangs, Bantam AA, Calgary, AB (Canada)
