

## Jasper Skating and Hockey Camp 2016

We had 25 players, all did the skating together for 7 hours in 5 days. T-Th they practiced hockey together and the young group got a one hour session and older group 75 min. each day. We finished with a 2 of 3 tournament they rotated 2 x 10 min. and 1 x 15 min. and we totalled the score together. I only have one clip of the skating and the rest is the hockey games and a few drills.
