### Key Points:

Encourage the players to use moves and fakes, change of pace and to protect the puck.

### Description:

This game has the players line up at the end of the rink in the A2 formation. Each player has a puck. One player (who is 'it') is at the blue line and calls out 'British Puck-dog.' The players stickhandle

the puck, trying to get to the end without being checked. If a player loses the puck, she becomes 'it' and is in the middle checking. The last player with a puck wins.
